# Sompting Village Morris

Sompting Village Morris comprises both a men's and a women's dance team. The side began dancing in 1978, and we perform traditional English Morris dances from the Cotswolds, North-West, Sussex and Border traditions. Our enthusiastic musicians accompany the dancers with old English country dance tunes.

The group dances out during the summer between May and September at Sussex pubs, together with appearances at local community events, fetes and at folk music celebrations both home and abroad. In the past, the side has accepted invitations to dance at a variety of European dance festivals, including appearances in France, Germany, Italy, the Netherlands, Switzerland and Greece.

Sompting Village Morris dancers like to keep the old traditions alive, and our annual festivities include the Wassail Torchlight procession on 5 January in Tarring; our early morning May Day event in Shoreham; the Summer Solstice in June at Highdown Hill, Worthing (National Trust); and the "Battle of the Conkers" in October. At Christmas and New Year the Sompting Tipteerers join us to enact the famous Sompting Mummers' Play, whose local origins have been traced back to the 1800s.

Sompting Village Morris recruits new members every year in the autumn, and the group welcomes both dancers and musicians, including those with experience or without. Please check our website for details of recruitment evenings or "taster" sessions.

If you are interested in joining us, please talk to a member of the team, or email the 'Bag' (secretary)
